Skyline°

Your exhibit is your brand.

Your brand is your most important marketing asset. It is constantly being judged. Every interaction with your customers is a brand transaction.

At trade shows, special events, retail environments or even within your own corporate buildings, it is imperative that your brand is consistently and powerfully represented.

Offering the strongest portfolio of innovative exhibit products, all backed by a worldwide network of experts and support capabilities, **Skyline is dedicated to your exhibiting success.**

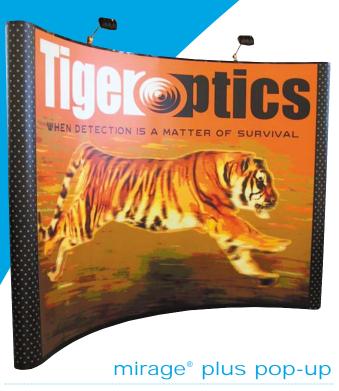

From tabletop displays to massive island exhibits **Skyline proudly supports your brand.**

portable displays

We make it easy! Our portable systems are intelligently designed to be lightweight, set up quick and easy to transport. You will always get a professional look because we create all of our panels and graphics in-house and use only the highest quality, most durable materials.

convenient

The world's premier pop-up. It has a durable, self-locking carbon rod frame which will not bend or kink like other pop-ups. Its unique triangulated design keeps panels aligned even on non-level floors.

tabletops

A variety of convenient tabletop displays provide a professional look for smaller spaces.

mosaic® panel system

Universal panels are available in many sizes, shapes and finishes for any design. Unique connector system provides a clean, seamless look.

banner stands

Big, lightweight graphics! Our unique Graphic Exchange System allows you to quickly and cost-effectively change out your look or message on site.

tables, workstations, kiosks

Quickly add storage, workspace and function to any exhibit. Can also be used as a stand-alone kiosk at trade shows, events or retail environments.

modular exhibits

Skyline modular systems are constructed to effectively support merchandise and presentation equipment. All systems are compatible and reconfigurable to give you the widest range of appearance and functionality.

functional

Sturdy, steel frame sections carry fabric graphics and accessories that are great for merchandising.

packing systems

Sturdy custom containers are engineered to complement Skyline products and protect your investment during shipping and storage.

dramatic savings on operating costs.

ps3000 panel system

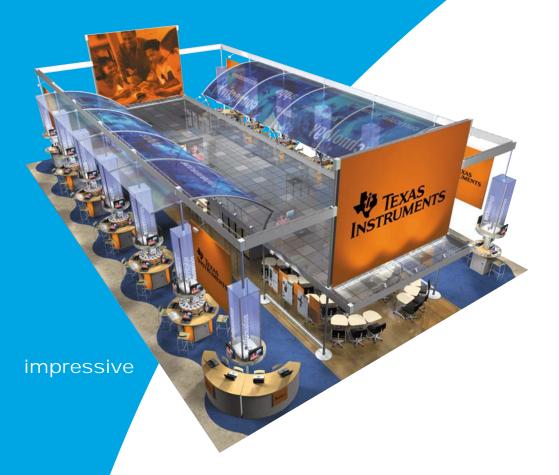

Solid, yet lightweight panels come in many finishes and sizes - up to 4' x 8'. Skyline's Slide-Connect technology makes for

island solutions

Skyline Designers tailor your unique needs and message into compelling exhibits that work. We have innovative exhibit systems, in-house graphics lab, custom workshops and a support team of engineers and project managers.

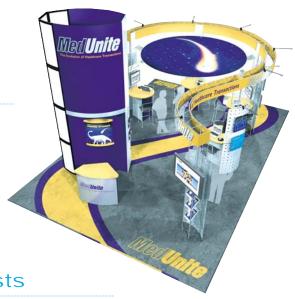

design and function

To reach your audience your exhibit has to be architecturally interesting and functional while your brand and marketing message must be clearly communicated.

integrated products

Only Skyline offers such an array of compatible systems. Virtually any design imaginable can be created. The sky is the limit.

lower operating costs

Reduce shipping, drayage and storage costs! Skyline solutions pack small to lower costs and maximize your event ROI.

Differentiate your exhibit using Skyline custom components like hanging fabric structures and double decks.

marketing kiosks

Skyline systems are perfect for integrating your marketing message into merchandising and demonstration kiosks. Whether it's a single application or multiple units for your dealer network, Skyline has a solution for you.

your single source

Our modular systems, in-house graphics and custom workshops provide total solutions from a single, trusted source.

national programs

Make product display kiosks available to your dealers. From retail areas to trade shows and events, you benefit from consistent brand presentation.

interactive kiosks

Present your message in style with interactive kiosks. These powerful merchandising units engage prospects in a variety of settings like lobbies, retail areas and more.

point-of-purchase

Skyline provides attractive and functional solutions for products of any kind.

rental & turnkey services
