# Unique New Product: Stratus™ Table System

Whether you need a basic table, a highly functional workstation or an eye-catching kiosk, Skyline's Stratus™ Table System can do it all.

Stratus gives you portability, flexibility and style - all at a great value.

Save Time, Shipping and Storage Stratus sets up in minutes without tools. It is lightweight and packs small to save on shipping and storage costs, yet it is very sturdy - supporting up to 100 lbs.

### Create a Custom Kiosk

The optional accessory pole integrates seamlessly and provides opportunity for more graphics or a flat screen for presentations.

### **Fulfills Multiple Needs**

Use Stratus for trade shows, events, retail areas and lobbies.

Stratus has many finishes and colours like fabric, laminates and custom graphics.

Stratus has over 18 cubic feet of storage capacity, an internal shelf that adjusts to two positions and an optional keyboard tray.
