

Skyline Tube System

The Ultimate Island Graphic Carrier

exhibiting solutions

Sleek in Look, Unlimited in Application

Skyline Tube System

Your Vision Becomes Reality!

Tube System is a designer's dream. Modular components and vibrant fabric graphics offer unlimited design options for brand messaging and product merchandising.

Make a Powerful Impression

Skyline Genuine Graphics command attention! From massive fabric structures, banners and ceilings to simple kiosk signage, we help you stand out from the clutter.

Packs Small to Save Money

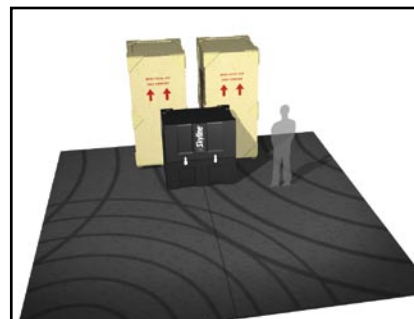

Get all the impact without unrealistic operating costs. Skyline products pack down efficiently to maximise your event ROI.

Skyline Tube system works seamlessly with other Skyline systems to provide a complete - and effective - exhibit solution.

Modular exhibits efficiently reconfigure to fit smaller booth spaces, giving you flexibility.

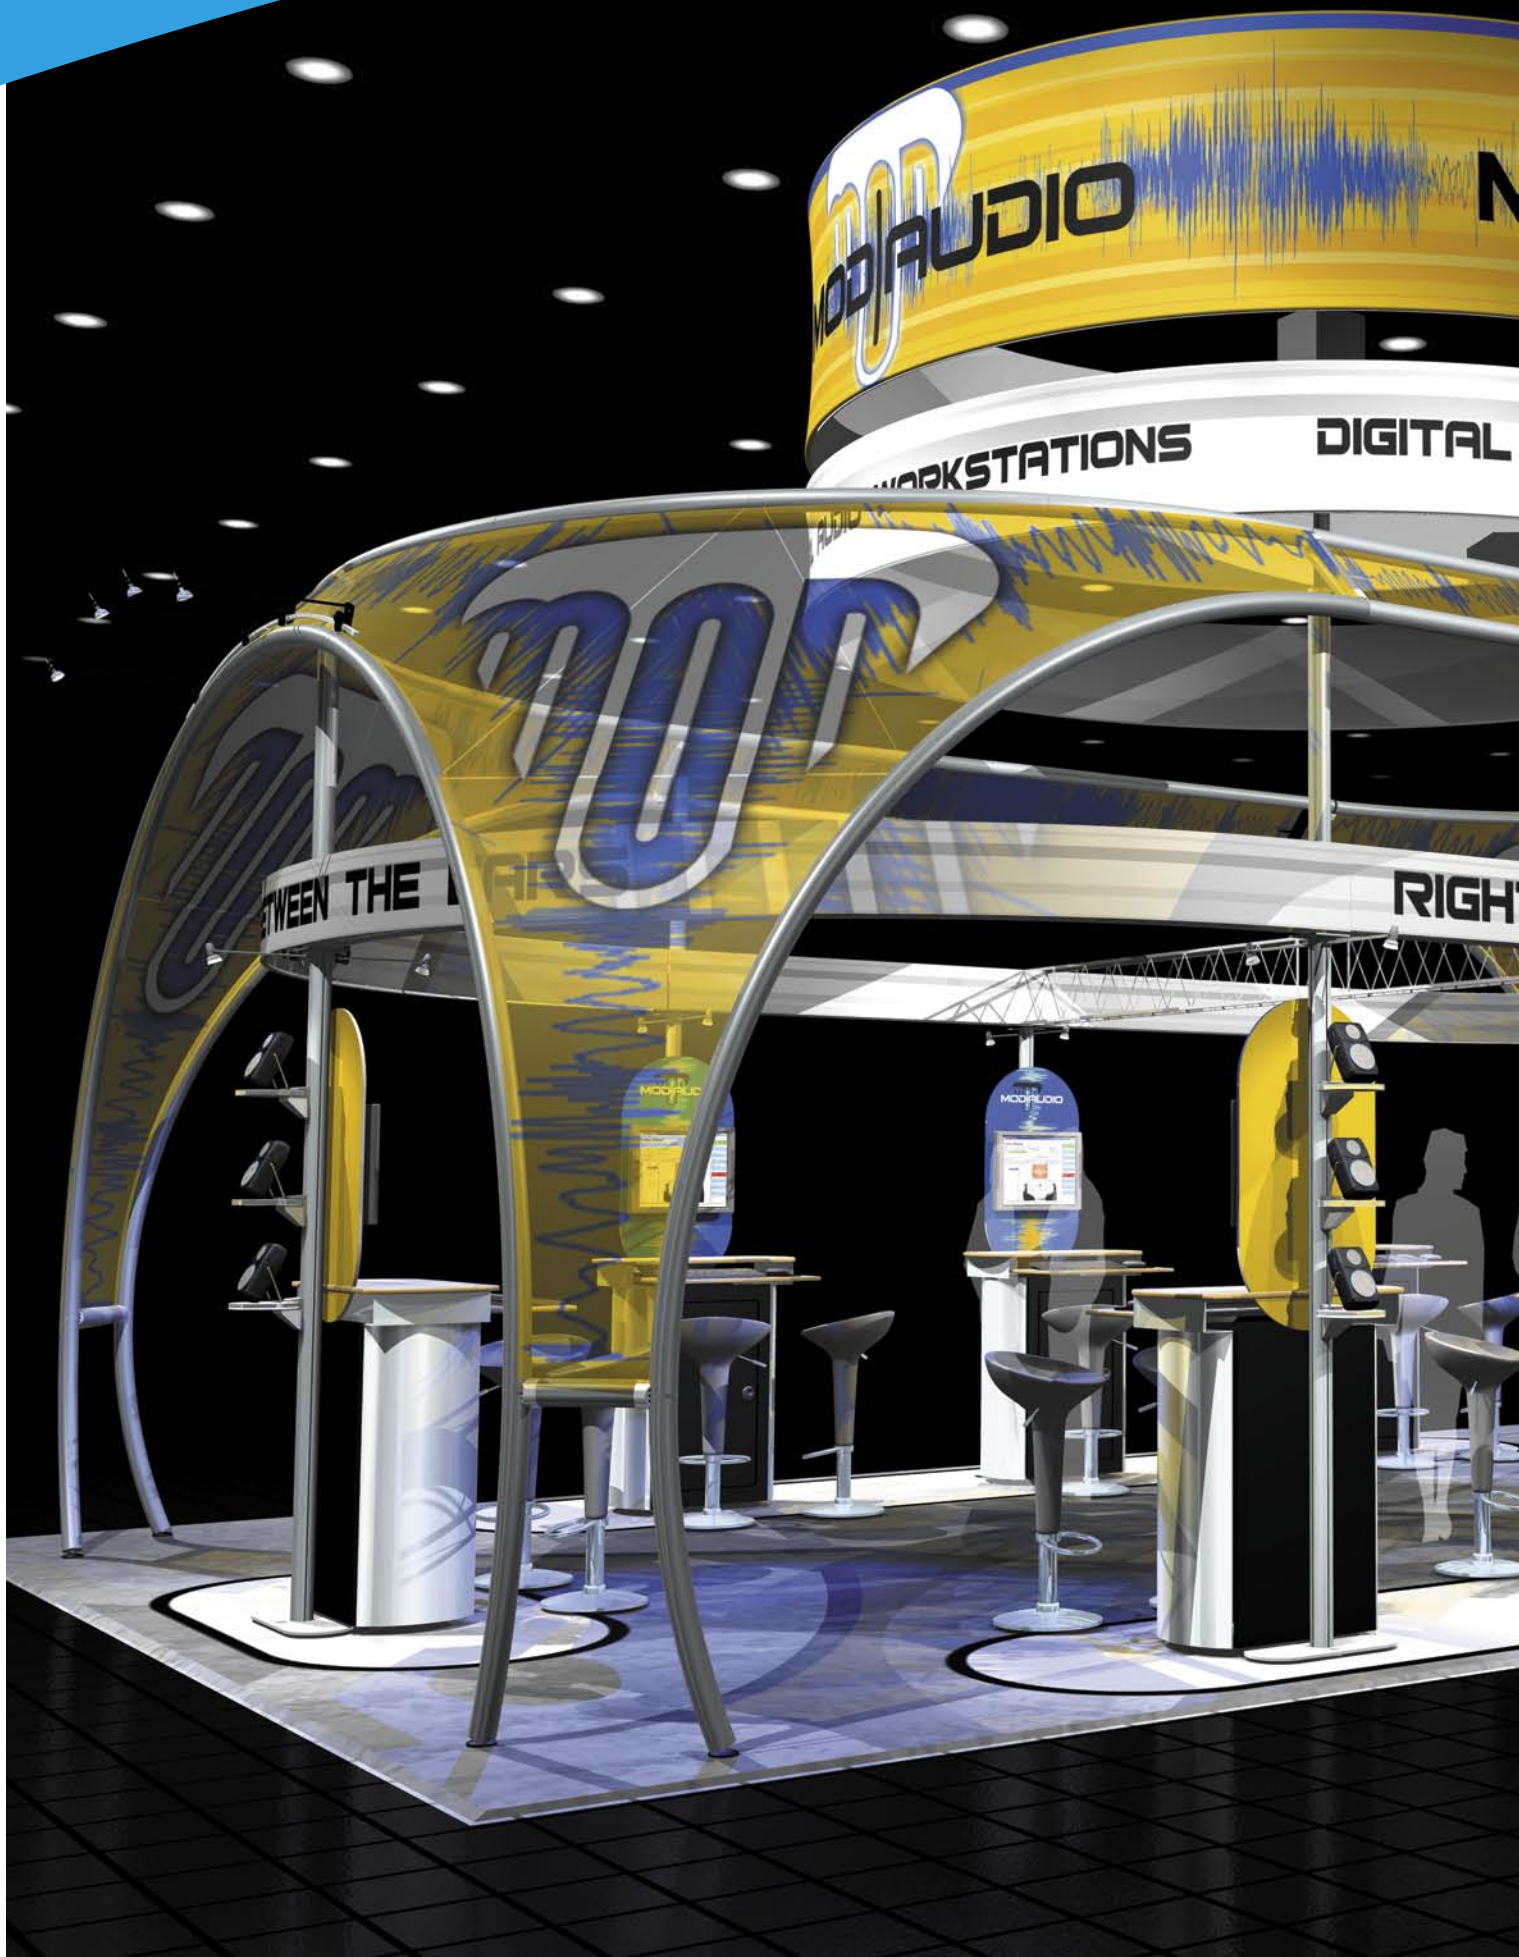

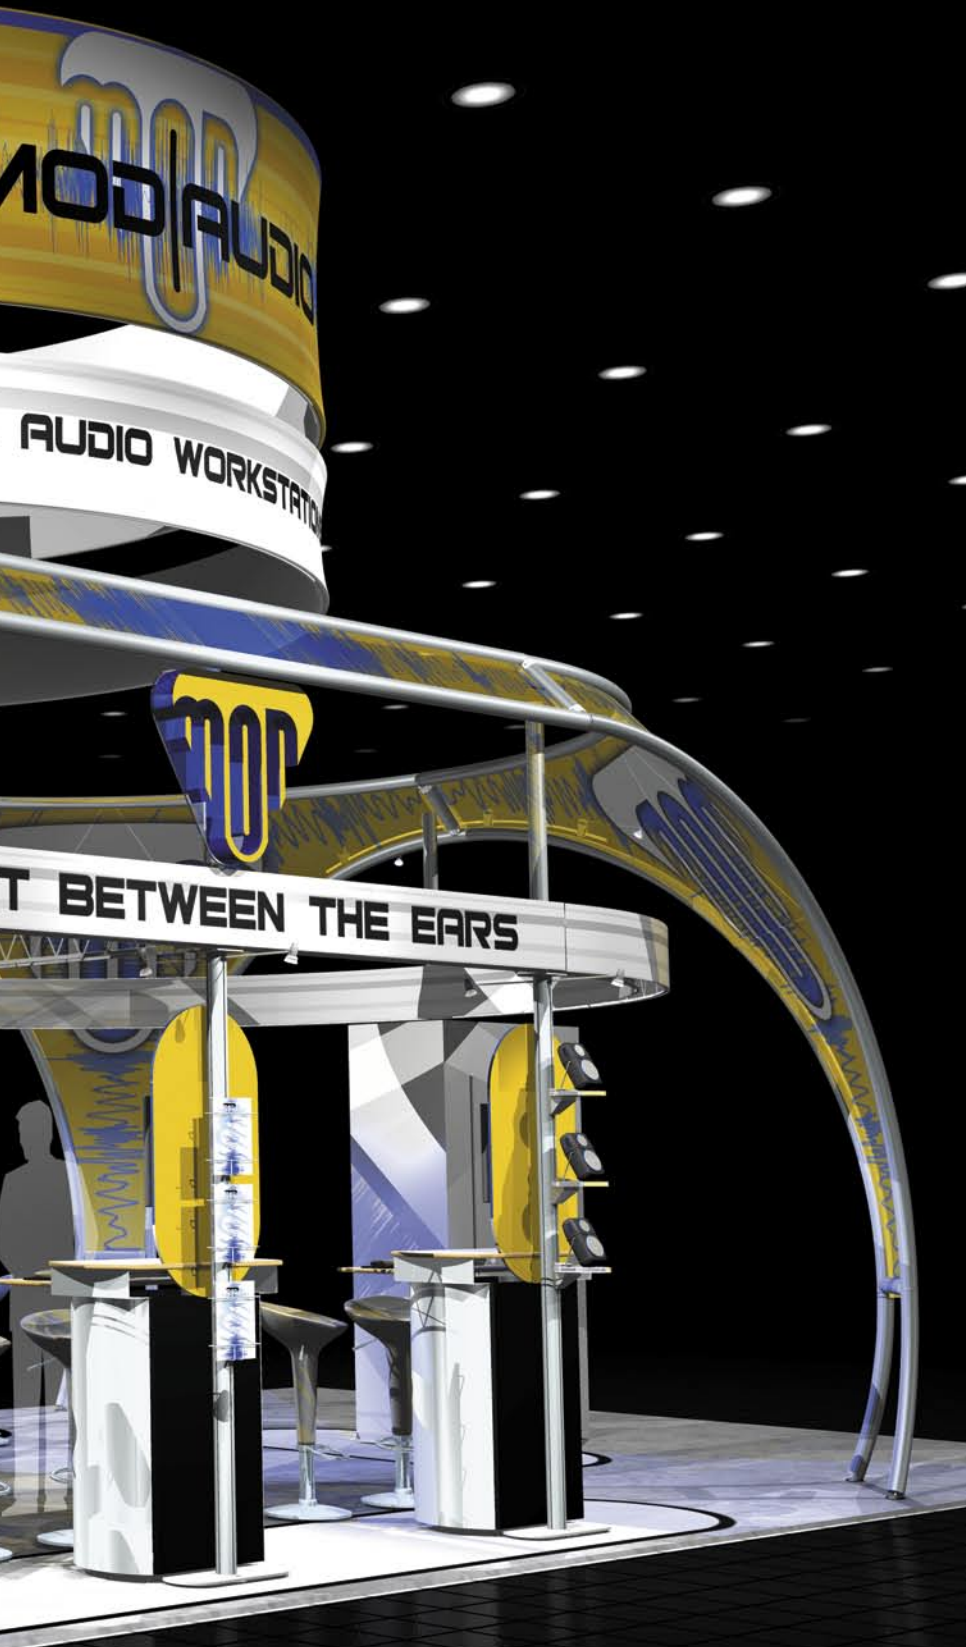

Save on operating costs like shipping, drayage and storage! Excluding counters, this island exhibit fits in just 3 crates.

Skyline Fabric Graphics – the Industry's Hottest Look

Get mass and 'pop' without bulk or weight. Durable fabric graphics – both sheer and opaque – are exciting, inviting and ultra lightweight.

Design Outside of the Box!

Tube System allows you to build with sweeping curves and large circular graphics for a look that's distinct and inviting. Go beyond square architecture and create an exhibit your audience will remember.

Slotted Tube Accessories

Graphics and Lighting

Highlight your message. Graphic panels and lights easily attach on any of four sides at any height.

Flat Screen Mount

Presentations are an effective way to communicate your brand or products. Integrated wire management provides a streamlined look.

Product Display Shelving

Stylish Plexiglas or wood shelves showcase products. Multiple shelves can be used on any side.

Skyline Tube System

Tube System supports a variety of signage including 3D graphics.

Dynamic fabric graphics define space and are a perfect backdrop for presentations.

Stand-alone kiosks support cable-mounted graphics or display products.

Skyline Tube System with fabric graphics allow you to build tall bringing your name into view from afar and leaving valuable floor space open for business.

Patents pending.
